Patrick,

Thank you for your time yesterday, and as always I enjoyed the conversation.

I wanted to follow up on our discussion regarding the re-appointment of Todd Davis (Owner and CEO of Obsidian Technology) as the District 4 representative on the Shasta EDC Board of Directors. Todd continues to reside in your district and has been a valuable contributing member of our Board of Directors. If you would like further discussion, or additional information please let me know.

If you agree with this re-appointment please respond so to this email, copying the clerk of the board and Kristin Gulling-Smith will work with you as Chairman, to agendize this matter as appropriate at

a future Supervisor's meeting.

Thank you in advance for your consideration.

Eric Woodstrom, Chairman of the Board, Shasta EDC
