<u>RECOMMENDATION</u> Appoint Ted Noel to the Pine Grove Mosquito Abatement District to serve the remainder of a two-year term to January 4, 2027.
--

DISCUSSION
The Pine Grove Mosquito Abatement District (District) is an independent special district originally formed on April 7, 1931, and acting pursuant to Health and Safety Code (HSC) sections 2000 et seq. It is governed by a five-member Board of Trustees, each serving a term of two years commencing at noon on the first Monday in January.

A prior member of the Board of Trustees resigned effective December 31, 2024, leaving one vacancy on the District’s Board of Trustees. The District posted a Notice of Vacancy and it is on file with the Clerk of the Board. Ted Noel contacted the District and at their January 16, 2025, meeting, the District Board of Trustees recommended that he be appointed to the vacant position. Ted Noel is a registered voter who lives within the District and is therefore qualified for the position.

ALTERNATIVES
The Board may decline to make the appointment or may defer consideration to a future date. As the District is an independent special district, they are solely responsible for recommending appointees to the Board.

If the Board does not make this appointment, the District will continue to have one vacant position. The Notice of Vacancy will remain posted and the District will continue to accept applications for the position until the vacancy is filled.

OTHER AGENCY INVOLVEMENT
The District Board of Trustees supports the recommendation. The County Administrative Office has reviewed the Recommendation.

FISCAL IMPACT
Costs associated with assisting committees and commissions with appointments are included in the Clerk of the Board's Fiscal Year 2024-25 Adopted Budget.
