Consultant specifically acknowledges that in entering into and executing this agreement, Consultant relies solely upon the provisions contained in this agreement and no others.
- B. No changes, amendments, or alterations to this agreement shall be effective unless in writing and signed by both Parties. However, minor amendments, including retroactive, that do not result in a substantial or functional change to the original intent of this agreement and do not cause an increase to the maximum amount payable under this agreement may be agreed to in writing between Consultant and Public Works Director, provided that the amendment is in substantially the same format as the County's standard format amendment contained in the Shasta County Contracts Manual (Administrative Policy 6-101).
- C. The headings that appear in this agreement are for reference purposes only and shall not affect the meaning or construction of this agreement.
- D. If any ambiguity, inconsistency, or conflict exists or arises between the provisions of this agreement and the provisions of any of this agreement's exhibits or appendices, the provisions of this agreement shall govern.

**Section 8. NONASSIGNMENT OF AGREEMENT; NON-WAIVER**

Inasmuch as this agreement is intended to secure the specialized services of Consultant, Consultant may not assign, transfer, delegate, or sublet any interest herein without the prior written consent of County. The waiver by County of any breach of any requirement of this agreement shall not be deemed to be a waiver of any other breach.

## **Section 9. EMPLOYMENT STATUS OF CONSULTANT**

Consultant shall, during the entire term of this agreement, be construed to be an independent contractor, and nothing in this agreement is intended nor shall be construed to create an employer-employee relationship, a joint venture relationship, or to allow County to exercise discretion or control over the professional manner in which Consultant performs the work or services that are the subject matter of this agreement; provided, however, that the work or services to be provided by Consultant shall be provided in a manner consistent with the professional standards applicable to such work or services. The sole interest of County is to ensure that the work or services shall be rendered and performed in a competent, efficient, and satisfactory manner. Consultant shall be fully responsible for payment of all taxes due to the State of California or the federal government that would be withheld from compensation if Consultant were a County employee. County shall not be liable for deductions for any amount for any purpose from Consultant's compensation. Consultant shall not be eligible for coverage under County's workers' compensation insurance plan nor shall Consultant be eligible for any other County benefit. Consultant must issue W-2 and 941 Forms for income and employment tax purposes, for all of Consultant's assigned personnel under the terms and conditions of this agreement.

## **Section 10. INDEMNIFICATION**

- A. To the fullest extent permitted by law, Consultant shall indemnify and hold harmless County, its elected officials, officers, employees, agents, and volunteers against all claims, suits, actions, costs, expenses (including, but not limited to, reasonable attorney's fees of County Counsel and counsel retained by County, expert fees, litigation costs, and investigation costs), damages, judgments, or decrees arising from the work or the provision of services undertaken pursuant to this agreement by Consultant, or by any of Consultant's subcontractors, any person employed under Consultant, or under any subcontractor, or in any capacity, except when the injury or loss is caused by the sole negligence or intentional wrongdoing of County. Consultant shall also, at Consultant's own expense, defend the County, its elected officials, officers, employees, agents, and volunteers, against any claim, suit, action or proceeding brought against County, its elected officials, officers, employees, agents, and volunteers, arising from the work or the provision of services undertaken pursuant to this agreement by Consultant, or any of Consultant's subcontractors, any person employed under Consultant, or under any Subcontractor, or in any capacity. Consultant shall also defend and indemnify County for any adverse determination made by the Internal Revenue Service or the State Franchise Tax Board and/or any other taxing or regulatory agency and shall defend, indemnify, and hold harmless County with respect to Consultant's "independent contractor" status that would establish a liability on County for failure to make social security deductions or contributions or income tax withholding payments, or any other legally mandated payment. The provisions of this paragraph are intended to be interpreted as broadly as permitted by applicable law. This provision shall survive the termination, expiration, or cancellation of this agreement.

- B. For professional services provided under this agreement [or contract], Consultant shall indemnify, defend, and hold harmless County, its elected officials, officers, employees, agents, and volunteers from and against any and all claims, demands, actions, losses, liabilities, damage, and costs, including reasonable attorneys' fees, arising out of or resulting from the negligent performance of the professional services provided under this agreement [or contract]. Consultant shall also, at Consultant's own expense, defend the County against any suit or action brought against County founded upon any claim, action or proceeding which is based upon the work or the provision of services undertaken pursuant to this agreement. Furthermore, the duty of Consultant includes the duty of defense, inclusive of that set forth in the California Civil Code Section 2778, and is subject to any limits provided for in Civil Code Section 2782.8. The words "professional services" shall be interpreted as defined in Civil Code Section 2782.8, as it may be amended from time to time. The provisions of this paragraph are intended to be interpreted as broadly as permitted by applicable law.

## **Section 11. INSURANCE REQUIREMENTS**

Without limiting Consultant's duties of defense and indemnification:

- A. Consultant and any subcontractor shall carry Commercial General Liability Insurance, and other coverage necessary to protect County and the public, with limits of \$2 million per occurrence or claim. Such coverage shall:
1. Be equivalent to the current Insurance Services Office (ISO) form CG 00 01, assuring coverage for products and completed operations, property damage, bodily injury, and personal and advertising injury.
  2. Include an endorsement, or an amendment to the policy of insurance, naming Shasta County, its elected officials, officers, employees, agents, and volunteers as additional insureds; the additional insureds coverage shall be equal to the current ISO forms CG 20 10 for on-going operations, and CG 20 37 for completed operations.
  3. Apply separately to this project and location(s); in the event of a general aggregate limit, the general aggregate limit shall be twice the required per occurrence limit.
  4. Contain, or be endorsed to contain, a "separation of insureds" clause which shall read, or have the same effect as the following:

"Separation of Insureds.

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
  - b. Separately to each suit insured against whom a claim is made or suit is brought.”
- B. Consultant and any subcontractor shall carry Automobile Liability Insurance covering any auto, unless Consultant has no owned autos then covering at minimum hired and non-owned autos, with limits of \$1 million per occurrence or claim. Such coverage shall:
  - 1. Include, or be endorsed to contain, Additional Insured coverage in favor of Shasta County, its elected officials, officers, employees, agents, and volunteers.
  - 2. Include, or be endorsed to contain, coverage for hazardous waste transportation, when appropriate to the work being performed.
- C. Consultant and any subcontractor shall carry statutorily required Workers' Compensation Insurance, and Employer's Liability Insurance with limits of \$1 million per occurrence or claim, to cover Consultant, subcontractor, Consultant's partner(s), subcontractor's partner(s), Consultant's employees, and subcontractor's employees, covering the full liability for compensation for injury to those employed by Consultant or subcontractor. Consultant hereby certifies that Consultant is aware of the provisions of Section 3700 of the Labor Code, which requires every employer to insure against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of the Labor Code, and Consultant shall comply with such provisions before commencing the performance of the work or the provision of services pursuant to this agreement.
- D. Consultant shall carry Professional Liability (Errors and Omissions) Insurance, applicable to the Consultant's profession and the services/work being performed, with limits of not less than \$2 million per occurrence or claim, \$2 million aggregate.
- E. Consultant shall carry Pollution Liability Insurance applicable to the Consultant's profession and the services/work being performed, with limits of not less than \$2 million per occurrence or claim, \$2 million aggregate.
- F. Consultant shall require its subcontractors, if any, to carry and maintain coverage and evidence that equals or exceeds the coverage requirements imposed upon Consultant by this agreement.
- G. With regard to all insurance coverage required by this agreement:
  - 1. Any deductible or self-insured retention exceeding \$25,000 for Consultant or subcontractor shall be disclosed to and be subject to approval by the Shasta County Risk Manager prior to the effective date of this agreement; policy shall provide, or be endorsed to provide, that any self-insured

retention or deductible may be satisfied by either the named insured or County, and must also provide that defense costs satisfy the self-insured retention or deductible. Any and all deductibles and self-insured retentions shall be the sole responsibility of Consultant or subcontractor who procured such coverage, and shall not apply to the Indemnified Additional Insured Parties. County may deduct from any amounts otherwise due Consultant to fund the self-insured retention or deductible.

2. If any insurance coverage required hereunder is provided on a “claims made” rather than “occurrence” form, Consultant or subcontractor shall maintain such coverage with an effective date earlier or equal to the effective date of this agreement and continue coverage for a period of three years after the expiration of this agreement and any extensions thereof. In lieu of maintaining post-agreement expiration coverage as specified above, Consultant or subcontractor may satisfy this provision by purchasing tail coverage for the claims-made policy. Such tail coverage shall, at a minimum, provide coverage for claims received and reported three years after the expiration date of this agreement.
3. In the event coverage is reduced or canceled, or otherwise materially changed, a notice of said reduction or cancellation or change shall be provided to County within 24 hours.
4. Consultant hereby grants to Shasta County, its elected officials, officers, employees, agents, and volunteers, a waiver of any right to subrogation or recovery which any insurer of said Consultant may acquire against County by virtue of the payment of any loss under such coverage, and agrees to obtain any endorsement that may be necessary to affect this waiver; this provision applies regardless of whether or not County has received such a waiver or endorsement.
5. Any available insurance proceeds in excess of the specified minimum limits and insurance coverage pursuant to the terms of this agreement shall be applicable to County.
6. Before the effective date of this agreement, Consultant shall provide County with certificates of insurance, and all amendatory endorsements or policy amendments, as evidence of meeting insurance coverage required of this agreement; for purposes of verification of Consultant meeting insurance requirements of this agreement, County reserves the right to require any policies, declarations, endorsements, and other documentation.
7. Coverage required herein shall be in effect at all times during the term of this agreement, and may be provided by programs of self-insurance when supported by adequate evidence meeting appropriate self-insurance and regulatory compliance. Insurance is to be placed with insurers authorized to transact business in California, with a current A.M. Best’s rating of not less than A:VII, unless otherwise authorized by County.

8. In the event any insurance coverage expires at any time during the term of this agreement, Consultant shall provide County, at least 20 days prior to said expiration date, a new endorsement or policy amendment evidencing insurance coverage as provided for herein for not less than the remainder of the term of this agreement or for a period of not less than one year. In the event Consultant fails to keep in effect at all times insurance coverage as herein provided and a renewal endorsement or policy amendment is not provided within 10 days of the expiration of the endorsement or policy amendment in effect at inception of this agreement, County may, in addition to any other remedies it may have, terminate this agreement upon the occurrence of such event.
9. For any claims related to this agreement, Consultant's coverage shall be primary and non-contributory. Any coverage maintained by Shasta County, its elected officials, officers, employees, agents, and volunteers, shall be excess of the Consultant's coverage and shall not contribute with it.
10. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to Shasta County, its elected officials, officers, employees, agents, or volunteers.

**Section 12. NOTICE OF CLAIM; APPLICABLE LAW; VENUE**

- A. If any claim for damages is filed with Consultant or if any lawsuit is instituted concerning Consultant's performance under this agreement and that in any way, directly or indirectly, contingently or otherwise, affects or might reasonably affect County, Consultant shall give prompt and timely notice thereof to County. Notice shall be prompt and timely if given within 30 days following the date of receipt of a claim or 10 days following the date of service of process of a lawsuit. This provision shall survive the termination, expiration, or cancellation of this agreement.

Consultant is solely responsible for determining whether any work or portion thereof is subject to said requirements, and for complying with all such requirements that apply. All such public works projects are subject to compliance monitoring by the California Department of Industrial Relations (DIR). To the extent applicable, Consultant is responsible for posting job site notices as prescribed by regulation pursuant to Labor Code Section 1771.4(a)(2).
