The initial term of this initial agreement shall begin July 1, 2023 and ending June 30, 2026. Notwithstanding the foregoing, County shall not be obligated for payments hereunder for any future County fiscal year unless or until County's Board of Supervisors appropriates funds for this agreement in County's budget for that County fiscal year. In the event that funds are not appropriated for this agreement, then this agreement shall end as of June 30 of the last County fiscal year for which funds for this agreement were appropriated. For the purposes of this agreement, the County fiscal year commences on July 1 and ends on June 30 of the following year. County shall notify Consultant in writing of such non-appropriation at the earliest possible date.

**Section 7. TERMINATION OF AGREEMENT.**

- A. If Consultant materially fails to perform Consultant's responsibilities under this agreement to the satisfaction of County, or if Consultant fails to fulfill in a timely and professional manner Consultant's responsibilities under this agreement, or if Consultant violates any of the terms or provisions of this agreement, then County shall have the right to terminate this agreement for cause effective immediately upon the County giving written notice thereof to Consultant. If termination for cause is given by County to Consultant and it is later determined that Consultant was not in default or the default was excusable, then the notice of termination shall be deemed to have been given without cause pursuant to paragraph B of this section.
- B. County may terminate this agreement without cause on 60 days written notice to Consultant.
- C. County may terminate this agreement immediately upon oral notice should funding cease or be materially decreased during the term of this agreement.
- D. County's right to terminate this agreement may be exercised by the Board of Supervisors, unless otherwise delegated when approved.

- E. Should this agreement be terminated, Consultant shall promptly provide to County any and all finished and unfinished reports, data, studies, photographs, charts, and other documents prepared by Consultant pursuant to this agreement in a format acceptable to County.
- F. If this agreement is terminated, Consultant shall only be paid for services satisfactorily completed and provided prior to the effective date of termination.

**Section 8. ENTIRE AGREEMENT; AMENDMENTS; HEADINGS; EXHIBITS/APPENDICES.**

- A. This agreement supersedes all previous agreements relating to the subject of this agreement and constitutes the entire understanding of the Parties hereto. Consultant shall be entitled to no other benefits other than those specified herein. Consultant specifically acknowledges that in entering into and executing this agreement, Consultant relies solely upon the provisions contained in this agreement and no others.
- B. No changes, amendments, or alterations to this agreement shall be effective unless in writing and signed by both Parties. However, minor amendments, including retroactive, that do not result in a substantial or functional change to the original intent of this agreement and do not cause an increase to the maximum amount payable under this agreement may be agreed to in writing between Consultant and HHSA Director, or any HHSA Branch Director, designated by the HHSA Director, provided that the amendment is in substantially the same format as the County's standard format amendment contained in the Shasta County Contracts Manual (Administrative Policy 6-101).
- C. The headings that appear in this agreement are for reference purposes only and shall not affect the meaning or construction of this agreement.
- D. If any ambiguity, inconsistency, or conflict exists or arises between the provisions of this agreement and the provisions of any of this agreement's exhibits or appendices, with the specific exception of Exhibit A, also referred to as Addendum 1 Shasta County Mental Health Plan, the provisions of this agreement shall govern.

**Section 9. NONASSIGNMENT OF AGREEMENT; NON-WAIVER.**

Inasmuch as this agreement is intended to secure the specialized services of Consultant, Consultant may not assign, transfer, delegate, or sublet any interest herein without the prior written consent of County. The waiver by County of any breach of any requirement of this agreement shall not be deemed to be a waiver of any other breach.

**Section 10. EMPLOYMENT STATUS OF CONSULTANT.**

Consultant shall, during the entire term of this agreement, be construed to be an independent contractor, and nothing in this agreement is intended nor shall be construed to create an employer-employee relationship, a joint venture relationship, or to allow County to exercise discretion or control over the professional manner in which Consultant performs the work or services that are the subject matter of this agreement; provided, however, that the work or services to be provided by Consultant shall be provided in a manner consistent with the professional standards applicable to such work or services. The sole interest of County is to ensure that the work or services shall be rendered and performed in a competent, efficient, and satisfactory manner. Consultant shall be fully responsible for payment of all taxes due to the State of California or the federal government that would be withheld from compensation if Consultant were a County employee. County shall not be liable for deductions for any amount for any purpose from Consultant's compensation. Consultant shall not be eligible for coverage under County's workers' compensation insurance plan nor shall Consultant be eligible for any other County benefit. Consultant must issue W-2 and 941 Forms for income and employment tax purposes, for all of Consultant's assigned personnel under the terms and conditions of this agreement.

**Section 11. INDEMNIFICATION.**

- A. To the fullest extent permitted by law, Consultant shall indemnify and hold harmless County, its elected officials, officers, employees, agents, and volunteers against all claims, suits, actions, costs, expenses (including, but not limited to, reasonable attorney's fees of County Counsel and counsel retained by County, expert fees, litigation costs, and investigation costs), damages, judgments, or decrees arising from the work or the provision of services undertaken pursuant to this agreement by Consultant, or by any of Consultant's subcontractors, any person employed under Consultant, or under any subcontractor, or in any capacity, except when the injury or loss is caused by the sole negligence or intentional wrongdoing of County. Consultant shall also, at Consultant's own expense, defend the County, its elected officials, officers, employees, agents, and volunteers, against any claim, suit, action, or proceeding brought against County, its elected officials, officers, employees, agents, and volunteers, arising from the work or the provision of services undertaken pursuant to this agreement by Consultant, or any of Consultant's subcontractors, any person employed under Consultant, or under any Subcontractor, or in any capacity. Consultant shall also defend and indemnify County for any adverse determination made by the Internal Revenue Service or the State Franchise Tax Board and/or any other taxing or regulatory agency and shall defend, indemnify, and hold harmless County with respect to Consultant's "independent contractor" status that would establish a liability on County for failure to make social security deductions or contributions or income tax withholding payments, or any other legally mandated payment. The provisions of this paragraph are intended to be interpreted as broadly as permitted by applicable law. This provision shall survive the termination, expiration, or cancellation of this agreement.

- B. This indemnification provision is independent of, and shall not in any way be limited by, Consultant's insurance coverage or lack of coverage, or by the insurance requirements of this agreement. County acknowledgement or approval of Consultant's evidence of insurance coverage required by this agreement does not in any way relieve Consultant from its obligations under this Section.

## **Section 12. INSURANCE COVERAGE.**

Without limiting Consultant's duties of defense and indemnification:

- A. Consultant and any subcontractor shall carry Commercial General Liability Insurance and other coverage necessary to protect County and the public with limits of \$2 million per occurrence or claim. Such coverage shall:

1. Be equivalent to the current Insurance Services Office (ISO) form CG 00 01, assuring coverage for products and completed operations, property damage, bodily injury, and personal and advertising injury.
2. Include an endorsement, or an amendment to the policy of insurance, naming Shasta County, its elected officials, officers, employees, agents, and volunteers as additional insureds; the additional insureds coverage shall be equal to the current ISO forms CG 20 10 for on-going operations, and CG 20 37 for completed operations.
3. Apply separately to this project and location(s); in the event of a general aggregate limit, the general aggregate limit shall be twice the required per occurrence limit.
4. Contain, or be endorsed to contain, a "separation of insureds" clause which shall read, or have the same effect as:

"Separation of Insureds.

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each suit insured against whom a claim is made or suit is brought."

- B. Consultant and any subcontractor shall carry Automobile Liability Insurance covering any auto, unless Consultant has no owned autos then covering at minimum hired and non-owned autos, with limits of \$1 million per occurrence or claim. Such coverage shall:

1. Include, or be endorsed to contain, Additional Insured coverage in favor of Shasta County, its elected officials, officers, employees, agents, and volunteers.
  2. Include, or be endorsed to contain, coverage for hazardous waste transportation, when appropriate to the work being performed.
- C. Consultant and any subcontractor shall carry statutorily required Workers' Compensation Insurance, and Employer's Liability Insurance with limits of \$1 million per occurrence or claim, to cover Consultant, subcontractor, Consultant's partner(s), subcontractor's partner(s), Consultant's employees, and subcontractor's(s') employees, covering the full liability for compensation for injury to those employed by Consultant or subcontractor. Consultant hereby certifies that Consultant is aware of the provisions of section 3700 of the Labor Code, which requires every employer to insure against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of the Labor Code, and Consultant shall comply with such provisions before commencing the performance of the work or the provision of services pursuant to this agreement.
- D. Consultant shall carry Professional Liability Errors and Omissions Insurance, applicable to the Consultant's profession and the services/work being performed with limits of not less than \$2 million per occurrence or claim, \$2 million aggregate.
- E. Consultant shall carry coverage for Sexual Abuse or Molestation with limits of \$2 million per occurrence or claim, \$2 million aggregate.
- F. Consultant shall require its subcontractors, if any, to carry and maintain insurance coverage and evidence that equals or exceeds the coverage requirements imposed upon of Consultant by this agreement.
- G. With regard to all insurance coverage required by this agreement:
- (1) Any deductible or self-insured retention exceeding \$25,000 for Consultant or subcontractor shall be disclosed to and be subject to approval by the Shasta County Risk Manager prior to the effective date of this agreement; policy shall provide, or be endorsed to provide, that any self-insured retention or deductible may be satisfied by either the named insured or County, and must also provide that defense costs satisfy the self-insured retention or deductible. Any and all deductibles and self-insured retentions shall be the sole responsibility of Consultant or subcontractor who procured such coverage, and shall not apply to the Indemnified Additional Insured Parties. County may deduct from any amounts otherwise due Consultant to fund the self-insured retention or deductible.
  - (2) If any insurance coverage required hereunder is provided on a "claims made" rather than "occurrence" form, Consultant or subcontractor shall maintain such coverage with an effective date earlier or equal to the effective date of this agreement and continue coverage for a period of three years after the expiration of this agreement and any extensions thereof. In

lieu of maintaining post-agreement expiration coverage as specified above, Consultant or subcontractor may satisfy this provision by purchasing tail coverage for the claims-made policy. Such tail coverage shall, at a minimum, provide the coverage for claims received and reported three years after the expiration date of this agreement.

- (3) In the event that coverage is reduced or canceled, or otherwise materially changed, a notice of said reduction or cancellation or change shall be provided to County within 24 hours.
- (4) Consultant hereby grants to Shasta County, its elected officials, officers, employees, agents, and volunteers, a waiver of any right to subrogation or recovery which any insurer of said Consultant may acquire against County by virtue of the payment of any loss under such coverage, and agrees to obtain any endorsement that may be necessary to affect this waiver; this provision applies regardless of whether or not County has received such a waiver or endorsement.
- (5) Any available insurance proceeds in excess of the specified minimum limits and insurance coverage pursuant to the terms of this agreement shall be applicable to County.
- (6) Before the effective date of this agreement, Consultant shall provide County with certificates of insurance, and all amendatory endorsements or policy amendments, as evidence of meeting insurance coverage required of this agreement; for purposes of verification of consultant meeting insurance requirements of this agreement, County reserves the right to require any policies, declarations, endorsements, and other documentation.
- (7) Coverage required herein shall be in effect at all times during the term of this agreement, and may be provided by programs of self-insurance when supported by adequate evidence meeting appropriate self-insurance and regulatory compliance. Insurance is to be placed with insurers authorized to transact business in California, with a current A.M. Best's rating of not less than A:VII, unless otherwise authorized by County.
- (8) In the event any insurance coverage expires at any time during the term of this agreement, Consultant shall provide County, at least 20 days prior to said expiration date, a new endorsement or policy amendment evidencing insurance coverage as provided for herein for not less than the remainder of the term of this agreement or for a period of not less than one year. In the event Consultant fails to keep in effect at all times insurance coverage as herein provided and a renewal endorsement or policy amendment is not provided within 10 days of the expiration of the endorsement or policy amendment in effect at inception of this agreement, County may, in addition to any other remedies it may have, terminate this agreement upon the occurrence of such event.

- (9) For any claims related to this agreement, Consultant's coverage shall also be primary and non-contributory. Any coverage maintained by Shasta County, its elected officials, officers, employees, agents, and volunteers, shall be excess of the Consultant's coverage and shall not contribute with it.
- (10) Any failure to comply with reporting provisions of the policies shall not affect coverage provided to Shasta County, its elected officials, officers, employees, agents, or volunteers.

**Section 13. NOTICE OF CLAIM; APPLICABLE LAW; VENUE.**

- A. If any claim for damages is filed with Consultant or if any lawsuit is instituted concerning Consultant's performance under this agreement and that in any way, directly or indirectly, contingently or otherwise, affects or might reasonably affect County, Consultant shall give prompt and timely notice thereof to County. Notice shall be prompt and timely if given within 30 days following the date of receipt of a claim or 10 days following the date of service of process of a lawsuit. This provision shall survive the termination, expiration, or cancellation of this agreement.
- B. Any dispute between the Parties, and the interpretation of this agreement, shall be governed by the laws of the State of California. Any litigation shall be venued in Shasta County.

**Section 14. COMPLIANCE WITH LAWS; NON-DISCRIMINATION.**

- A. Consultant shall observe and comply with all applicable present and future federal laws, state laws, local laws, codes, rules, regulations, and/or orders that relate to the work or services to be provided pursuant to this agreement.
- B. Consultant shall not unlawfully discriminate in employment practices or in the delivery of services on the basis of race, color, creed, religion, national origin, sex, age, marital status, sexual orientation, medical condition (including cancer, HIV, and AIDS) physical or mental disability, use of family care leave under either the Family & Medical Leave Act or the California Family Rights Act, or on the basis of any other status or conduct protected by law.
- C. Consultant represents that Consultant is in compliance with and agrees that Consultant shall continue to comply with the Americans with Disabilities Act of 1990 (42 U.S.C. sections 12101, *et seq.*), the Fair Employment and Housing Act (Government Code sections 12900, *et seq.*), and regulations and guidelines issued pursuant thereto. - D. No funds or compensation received by Consultant under this agreement shall be used by Consultant for sectarian worship, instruction, or proselytization in a manner prohibited by law.
- E. In addition to any other provisions of this agreement, Consultant shall be solely responsible for any and all damages caused, and/or penalties levied, as the result of Consultant's noncompliance with the provisions of this section.

**Section 15. ACCESS TO RECORDS; RECORDS RETENTION.**

- A. County, federal, and state officials shall have access to any books, documents, papers, and records of Consultant that are directly pertinent to the subject matter of this agreement for the purpose of auditing or examining the activities of Consultant or County. Except where longer retention is required by federal or state law, Consultant shall maintain all records for five years after County makes final payment hereunder. This provision shall survive the termination, expiration, or cancellation of this agreement.
- B. Consultant shall maintain appropriate records to insure a proper accounting of all funds and expenditures pertaining to the work performed or the services provided pursuant to this agreement. Consultant shall maintain records providing information that account for all funds and expenses related to the provision of services provided pursuant to this agreement. Access to these records shall be provided to County during working days, 8:00 a.m. to 5:00 p.m. and at other times upon reasonable notice by County, and upon request of state and federal agencies charged with the administration of programs related to the work or services to be provided pursuant to this agreement.
- C. Consultant agrees to accept responsibility for receiving, replying to, and/or complying with any audit exception by appropriate federal, state, or County audit directly related to the provisions of this agreement. Consultant agrees to repay County the full amount of payment received for duplicate billings, erroneous billings, audit exceptions, or false or deceptive claims. Consultant agrees that County may withhold any money due and recover through any appropriate method any money erroneously paid under this agreement if evidence exists of less than full compliance with this agreement including, but not limited to, exercising a right of set-off against any compensation payable to Consultant.

**Section 16. COMPLIANCE WITH CHILD, FAMILY, AND SPOUSAL SUPPORT REPORTING OBLIGATIONS.**

Consultant's failure to comply with state and federal child, family, and spousal support reporting requirements regarding Consultant's employees or failure to implement lawfully served wage and earnings assignment orders or notices of assignment relating to child,

family, and spousal support obligations shall constitute a default under this agreement. Consultant's failure to cure such default within 90 days of notice by County shall be grounds for termination of this agreement.

**Section 17. LICENSES AND PERMITS.**

Consultant, and Consultant's officers, employees, and agents performing the work or services required by this agreement, shall possess and maintain all necessary licenses, permits, certificates, and credentials required by the laws of the United States, the State of California, the County of Shasta, and all other appropriate governmental agencies, including any certification and credentials required by County. Failure to maintain the licenses, permits, certificates, and credentials shall be deemed a breach of this agreement and constitutes grounds for the termination of this agreement by County.

**Section 18. PERFORMANCE STANDARDS.**

Consultant shall perform the work or services required by this agreement in accordance with the industry and/or professional standards applicable to Consultant's work or services.

**Section 19. CONFLICTS OF INTEREST.**

Consultant and Consultant's officers and employees shall not have a financial interest, or acquire any financial interest, direct or indirect, in any business, property, or source of income that could be financially affected by or otherwise conflict in any manner or degree with the performance of the work or services required under this agreement.

**Section 25. COUNTY'S RIGHT OF SETOFF.**

To the fullest extent permitted by law, County shall have the right but not the obligation, to setoff, in whole or in part, against any compensation owed to Consultant or any of its

subsidiaries under any contract with the County, any amount of any Federal or State audit liability owed by or claimed or asserted against the County or any amounts owed to County by Consultant or its subsidiaries.

**Section 26. CONFIDENTIALITY.**

During the term of this agreement, both Parties may have access to information that is confidential or proprietary in nature. The parties acknowledge the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations ("HIPAA"). Consultant understands and agrees that, as a provider of medical treatment services, it is a "covered entity" under HIPAA and, as such, has obligations with respect to the confidentiality, privacy, and security of patients' medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of staff and the establishment of proper procedures for the release of such information. The Parties acknowledge their separate and independent obligations with respect to HIPAA, and that such obligations relate to transactions and code sets, privacy, and security. Consultant understands and agrees that it is independently responsible for compliance with HIPAA and agrees to take all necessary and reasonable actions to comply with the requirements of HIPAA related to transactions and code sets, privacy, and security. This agreement may be executed in any number of counterparts, each of which will be an original, but all of which together will constitute one instrument. The CUETA authorizes use of an electronic signature for transactions and contracts among Parties in California, including a government agency. Digital signature means an electronic identifier, created by computer, intended by the party using it to have the same force and effect as the use of a manual signature, and shall be reasonably relied upon by the Parties. For purposes of this section, a digital signature is a type of "electronic signature" as defined in subdivision (i) of Section 1633.2 of the Civil Code. Facsimile signatures or signatures transmitted via pdf document shall be treated as originals for all purposes.

## SHASTA COUNTY AUDITOR-CONTROLLER

### ACH/DIRECT DEPOSIT AUTHORIZATION

Shasta County has been offering ACH/Direct Deposit to its vendors since 2002. This process allows the County to transmit vendor payments directly into a checking or savings account instead of printing and mailing a paper check. This service has become even more critical over the years with the increasing cost of postage and the closure of post offices. ACH/Direct Deposit is available to all county vendors, district employees, and county employees who receive payments from the County of Shasta.

For your convenience we have enclosed an ACH/Direct Deposit Authorization enrollment form. To elect to have future payments deposited directly into your bank account, please complete the form below, sign it and return it along with a voided check. Please complete this form in its entirety as **incomplete forms will not be processed.**

For questions about this form, please contact Auditor-Controller Accounts Payable area at (530)245-6904.

*Please note: Federal Reserve regulations require 2-3 banking days for transmission of funds to any account. Once Shasta County Auditor-Controller's office approves the claim for payment, payees will receive an e-mail notification that confirms when the funds will be deposited.*

Mail this form and voided check to Shasta County Auditor-Controller 1450 Court St. Suite 238, Redding, CA 96001-1671
