Eligible facility will be required to provide DHCS information on their current state and operational needs in order to be eligible for funds tied to the application approval. If a correctional facility has previously completed a DHCS-technical

assistance survey ([available here](#)), they have already met this requirement and do not need to send additional information.

**Please confirm you have submitted your DHCS-technical assistance survey.**

True

## Attestation & Certification

### ATTESTATION & CERTIFICATION

As the authorized representative of the entities applying for funding, each entity attests and agrees to the following conditions:

- The funding received through this program will not duplicate or supplant funds received through other programs or initiatives, or other federal, state, or local funding sources.
- The funding received through this program must not supplant funding provided for the state's Department of Corrections (DOC) for the purchase of technology for state prisons, county jails, and youth correction facilities.
- Funds from this initiative may only be spent on permissible uses of funds as documented in program guidance and this application.
- The entity will respond to general inquiries from DHCS and the TPA pertaining to this initiative within one business day of receipt, and provide requested information within five business days, unless an alternate timeline is approved or determined necessary by DHCS. Entities that fail to meaningfully engage with DHCS and the TPA in response to these inquiries may be:
- Subject to audit, and if necessary, recoupment of grant funding by DHCS to ensure adequate documentation, application, and reporting of permissible expenditures; and/or
- Precluded from receiving additional PATH funding.
- The entity is required to alert DHCS and the TPA if circumstances prevent them from carrying out activities described in this program application. In such cases, the entity may be required to return unused funds to DHCS contingent upon the circumstances.
- The entity agrees to submit an implementation plan to the TPA no more than 180 days (about 6 months) after initial funding is received, or March 31, 2024, whichever comes first.
