### **RECOMMENDATION**

Approve a renewal agreement with Securitas Security Services USA, Inc., (Securitas) for unarmed private security services in an amount not to exceed \$7,000,000 over the entire term of the agreement, effective July 1, 2025, through June 30, 2030.

### **DISCUSSION**

The County has partnered with Securitas since 2015 to provide unarmed private security services as a deterrent against crime, theft and vandalism, including on-site fixed post services, daily patrols, and alarm response services countywide. Securitas also provides special response services upon the request of the County that includes providing enhanced security for the Health and Human Services Agency for temporary custody situations, escorting staff to their vehicles in the event of employee safety concerns, and other situational needs as they arise.

Support Services – Purchasing released Request for Proposals (RFP) 25-19 for Unarmed Private Security Services on December 16, 2024. Securitas provided the highest scored response and a Notice of Intent to Award a contract was issued and no protests were received. This renewal agreement reflects a decrease in rates of 1.37% as compared with current rates, and ensures continued services for a new five-year term. The services Securitas provides are essential to meet the security needs of County staff, members of the public, and to promote the preservation of County facilities and property.

### **ALTERNATIVES**

The Board may choose to not approve the agreement, defer approval to a later date or provide alternate direction to staff. If the Board chooses not to approve this agreement the County offices and buildings will no longer have a physical security presence to ensure the safety of County property and staff, and deterrent to crime, theft and vandalism.

### **OTHER AGENCY INVOLVEMENT**

County Counsel has approved the agreement as to form. Risk Management and Information Technology have approved the agreement. The recommendation has been reviewed by the County Administrative Office.

### **FISCAL IMPACT**

There is no additional General Fund impact from this agreement. Based upon historical usage of the prior agreement, approximately 7% (estimated \$500,000) of the contract usage is expected to be attributed to General Fund cost centers; the remaining usage is expected to largely be attributed to the Health and Human Services Agency (at 89% and an estimated \$6.2 million), and internal services funds (at 4% and an estimated \$275,000). Costs associated with the agreement were included in the FY 25-26 Proposed

Budget and will included in future proposed budgets for the departments who utilize the services. No costs are incurred if services are not utilized.

- B. This indemnification provision is independent of, and shall not in any way be limited by, Consultant's insurance coverage or lack of coverage, or by the insurance requirements of this agreement.
